Dear Mr. Burleigh:  
It was with great interest that I read your letter. I am glad that there is ~~an~~ interest in our movement to preserve our historical and genealogical records. It is of interest to me. It has no farther intent personally than entertainment, curiosity and a sort of ambition to build as great a genealogical chain as possible. I have accumulated a considerable amount of material chiefly of the period before our people came to Ontario. I have a continuous record back to the beginning of Roman history. Consequently the great historical characters are more than text book characters to me. These people were my forefathers. It is the same with every one. I'd you ever figure how much it would cost to shoe a horse at 14 for the first nail and double it for every nail to complete the work. You are 32 nails in 4 horse shoes. The something works in estimating our

our ancestors. we have 2 Parents  
4 grand parents 8 great grand parents  
and so in Geometric Progression for  
the 33<sup>rd</sup> generation backwards which  
would be 1066. we would have a  
possible four Billion ancestors.

Even there were not 2 million  
people in England and Normandy at  
that time. it is a certainty that  
we of the Anglo Norman British race  
are all of us descended from every man  
on either side who fought at the  
Battle of Hastings. including Wm  
the Conqueror who was descended  
from Charlemagne, Clovis, Humbert  
Clodius Caesar. Mark Antony and  
the Julian line. Back to Julius  
son of Askanius. son of Remus.  
the Trojans. The fact of our descent  
from these people is self evident even  
if any detailed table is in error.

I can send you a copy of the  
main lines of descent if you  
wish.

In regard to the Perry's. it is  
a common tradition in our family

My dear Mr. [illegible]  
I have just received your letter of the 10th inst. and am  
glad to hear that you are well. I am  
also well and hope this letter finds you  
the same. I have been thinking of you  
often lately and wondering how you  
are getting on. I hope you are  
enjoying your work and that  
everything is going well with you.  
I have been very busy lately but  
will try to write you more often.  
I am, dear Mr. [illegible],  
Very truly yours,

That we are descended from Judge  
Raymond Perry, great father of  
Comodore Perry, we have shown  
of the Comodore coming to Canada  
to visit his Uncle Robert and meeting  
with a show of gold shouder. I did  
not get that from the Media Research  
Bureau. In fact I did not get anything  
of particular value from their report  
where to go for information, so I went  
to the best sources.

I have not received any communication  
from the Ontario Genealogical Society.  
I am interested and would become a  
member if their proposition looks  
reasonable at all.

For the Pomeroy History J. Hume  
A. A. Pomeroy's great book including  
vol 3 which gives an account of the  
great conflict with the New England  
Genealogical Society and the final  
result of vindication for the Pomeroy  
records.

In England the Liverpool University  
gathered all the Pomeroy records and  
systematized them for a course of  
study in Medieval History

studying the fortunes of a single  
family from 1066 to the present day  
the chain is complete.

The main line of American  
Pomeroy punched off by the English  
family about 1630.

In regard to the Perrys again.  
I had a letter a few years ago from

Sir Alan Hughesworth. He gave me  
a pedigree of the Ontario Perrys  
to their progenitor who came over  
from England. It was different  
from the traditional line and did  
not include the American Commodore.

I just could not get my hands on it.  
The only thing I can think of that  
would interest me at present is the  
link between Bradford Wood (who  
married Gertrude Pomeroy daughter  
of Sam Pomeroy and Patricia Perry)  
and Harry J Wood who lived at  
Newburgh up to 1912, married a  
Miss Fife and had a daughter.

Priscilla Perry is now a music  
teacher in Saskatoon.

I remember the Perrys. I met  
2 of them Aunt Susan (Mrs Joe Taylor)  
and his sister (I forget her name).

My dear Mr. Garrison  
I have just received your letter of the 11th inst. and am  
glad to hear that you are so interested in the  
cause of the colored people. I am sure that your  
kindness and sympathy will be of great service to  
them. I have been thinking much of late about the  
condition of the colored people in this country and  
how much more they need our aid and support.  
I am sure that if we only have the courage to  
do what is right, we can do much for them.  
I am, dear sir, very truly yours,  
Wm. Lloyd Garrison

My father's first wife was one of  
them, Catherine. I remember a  
headstone in the old Yvonne Hall  
Cemetery with this inscription.

I found it might as yet I thought it noon.

That aroused a lot of interest in me  
and my friend, Herbert Cameron.

We were from 16-19 when we had  
an interest in the cemeteries.

I came West late in 1909, aged 19  
and I have not been back East very  
immediately finally come out. The last  
in 1912 so I had no direct interest  
in my dear old folks and sisters folk.  
They must have been grand people  
at least some of them.

Handwritten text in cursive script, likely a letter or journal entry. The text is written on aged, slightly yellowed paper. The handwriting is dense and fills most of the page. The ink is dark, possibly blue or black. The text is written in a cursive style, with many loops and flourishes. The paper has a slightly irregular, torn edge at the top. The background is dark, possibly a book cover or a dark surface the paper is resting on.

I feel that we have missed a great deal in not knowing our Eastern relatives. Theta really writes wonderful letters. She must be a grand girl. I might be writing shamefully. I can only offer a poor alibi and object of apology. I have a friend going to Quebec taking Airt. Don McPhercher of Saskatoon. I remember Kingston. It must have changed a lot in the last 10 years and yet the solid core of the old city must be the same, at least the river, Lake, Garden Island, the Falls, the light house, etc. would be the same. I saw a picture of McDonalds Point in the Aug 1950 National Geographic. It looks just the same. I have memories of that place. I have stood there facing a terrific gale from the South West. It was really thrilling. I was 17. Well, I must close this. I am glad you wrote, and trust that you will write again. Any information about the old County and its people will be welcomed.

Very sincerely yours  
Timothy E. Pomeroy

#### POMEROY FAMILY TREE.

This fantastic family tree was evidently prepared for George Lee and family. It may have been prepared by Media Research, an American firm which deals in such matters. A copy was brought to Bath by Dr. James K. Pomeroy, of Penguin, Sask. Bert Pomeroy, his nephew, had a copy made, of which this is a copy. As will be noted, dates are missing in many items, and there is no authentication, except in the recent generations. There is an error in the Pomeroy line. In one instance the husband of Jane Ann Aylsworth is shown to be William Pomeroy; in another, he is named Dan. The latter is correct. Furthermore, the parentage of Robert Perry, U. E., is wrong, if the genealogy on file in the New England Historic Genealogical Society, Boston, Mass., is true. Likewise, it is in error if the genealogy on file in the College of Arms, London, Eng., is true and acceptable.

Dear Hub:-

At last I am settled down to answer your  
rather interesting letter and family tree.  
The Perry branch I know nothing of other  
than my great grand father married her  
in Bath. There is one correction in the  
Perry line. Between Daniel and Sam-  
uel P. there was a girl Patience who  
married a chap Clark by name. Her  
sister who died in the R Sandover Castle  
was a grand son of this I am certain since  
I met her as a boy. Two of her children  
were Jane Mrs Hills and Mrs Sweetman.  
Mrs Sweetman had three daughters. I  
do not remember their names. The young-  
est married Goodrich, he is a Quaker, he  
is dead. As I remember what my father  
said. He was the eldest born 1821, second  
born 1823, Timothy third born  
1825 and from there on. Daniel's  
daughter Mary Maud married Geo  
Lee and their children are Hilda and  
Maggillivray. The rest you know more  
than I. Oh yes. I met Aunt Patience

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the matter of the proposed amendment to the charter of the City of New York, and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.  
I am, Sir, very respectfully,

Mrs Clark. Much love. Aunt Elizabeth  
Mrs Sturges, Uncle Luther.

I have partially retired. All I  
do now is to read. I find it quite inter-  
esting. You are all over. I am at Inverness  
now and next month at Biggar. I don't  
know how long I will be there.

How are all the folks. Bert, Meta  
Luella & the rest. Meta and Bruce  
are doing a good deal when they both  
the things. Poor little typhus has been  
dear.

We are having a good winter. The  
weather has been mild with little  
snow. In fact in the Lathrigs area  
there is soil drifting.

Say Hello to your good wife.

Sincerely

James

Pomeroy ~~PERRY~~ FAMILY TREE.

This fantastic family tree was evidently prepared for George Lee and family. It may have been prepared by Media Research, an American firm which deals in such matters. A copy was brought to Bath by Dr. James K. Pomeroy, of Penguin, Sask. Bert Pomeroy, his nephew, had a copy made, of which this is a copy. As will be noted, dates are missing in many items, and there is no authentication, except in the recent generations. There is an error in the Pomeroy line. In one instance the husband of Jane Ann Aylsworth is shown to be William Pomeroy; in another, he is named Dan. The latter is correct. Furthermore, the parentage of Robert Perry, U. E., is wrong, if the genealogy on file in the New England Historic Genealogical Society, Boston, Mass., is true. Likewise, it is in error if the genealogy on file in the College of Arms, London, Eng., is true and acceptable.

#### Bereaved

Mrs. Pomeroy has just received word of the death of her mother, Mrs. Robert McDowell which occurred on October 19. The deceased who had reached the ripe old age of 84 years had spent her married life on the farm where her husband was born in County Antrim, Ireland. Mrs. McDowell was predeceased by her husband 27 years ago. The deceased had been residing with her son and her passing came as a great shock to Mrs. Pomeroy. *Cause No. 13 1937*

# WILTON WOMEN'S INSTITUTE MEETS

## Fine Program Carried Out —Old Resident Has Passed Away

Nov 13 1937

WILTON— Mrs. George Emberley opened her home and welcomed the members of the Women's Institute for the monthly meeting which was held on Tuesday night with an attendance of approximately 50. It was decided to have the Christmas exchange again this year.

An appeal from the Society for Crippled Children in Toronto was read and a donation will be sent.

The program, which was in keeping with Armistice Day, was in charge of Mrs. A. W. Babcock and Mrs. Maitland Boulton and was as follows: Musical number, Mrs. Gladys Robinson and Jesse McPherson; address, Fred S. McPherson; piano selection, Mrs. Robinson; reading, Mrs. Earl Lee; vocal solo, Mrs. K. Babcock with Mrs. Earl McNeil for accompanist.

The various numbers were greatly enjoyed and after the singing of the national anthem a "Nation" contest which was arranged by Miss Nellie McPherson was won by Miss Keitha Babcock.

A sale of donated articles was held in connection with the meeting and proved very successful. The December meeting will be held at the home of Mrs. Kenneth Babcock.

### Old Resident Passes

This community has lost an old and very highly esteemed resident in the person of Mrs. Stuart Walker who passed away at her home after reaching the splendid age of 80 years and some months. On April 2 last Mr. and Mrs. Walker quietly observed their 63rd wedding anniversary which was a very happy event for them.

A few days prior to her death Mrs. Walker suffered a stroke and never regained consciousness, her condition growing weaker every day. Her passing was a very peaceful one.

Mrs. Walker before her marriage was Miss Patience Pomeroy, a daughter of the late Mr. and Mrs. Samuel Pomeroy of Colebrook. She and her husband resided at various places in Ontario and the United States. Besides her aged husband she leaves a daughter, Mrs. Willa Wilcox of Buffalo, and a son, A. Walker, of Penacook, N.H. Two children predeceased her many years ago.

The funeral was held on Thursday afternoon from the Wilton United Church with Rev. Mr. Gregory, a former minister of the Free Methodist Church in Wilton and a friend of the family officiating.

### Entertained

The officers and members of the Women's Association of the United Church proved ideal hostesses to the members of the cast in the production "Wild Ginger" and to those who assisted with the production. A banquet was held at the home of Mrs. Willa Wilcox and Mrs. Willa Wilcox was the guest of honor.

#### No Fires

Whatever the fire prevention me-  
thods of other towns may be, it is  
doubted if they can be as highly suc-  
cessful as those adopted here. Whe-  
ther the statement made by Coun-  
cillor Fred Hurlbut, chairman of the  
fire and light committee in Town  
Council to the effect that every chim-  
ney fire in the town costs the rate-  
payers \$8 to \$10 has done the trick  
or not, fires here have been very  
rare.

So rare, in fact, that a member of  
the fire brigade here, when asked the  
date of the last run of the fire  
trucks, paused, scratched his head,  
smiled sheepishly and confessed that  
he couldn't remember.

#### Personal

Mr. and Mrs. Gerald Scott and Mrs.  
Doyle are accompanying Mrs. Lil-  
lian Scott, Mr. Scott's mother, to Ot-  
tawa today where she will spend the  
winter months with her daughter,  
Mrs. K. E. Latimer.

Mrs. S. Pennock and her daughter,  
Miss Wilhelmina Pennock, have re-  
turned from a week's visit with re-  
latives in Watertown, N.Y.

Miss Kay I... has returned to her  
home here after spending three weeks  
at the home of her brother, Roy Kidd,  
at Cleveland, Ohio.

## Eden Rejects the Plea of Japanese

(Continued from page 1)

"That does not imply we will not  
consider any change, at any time, on  
any subject. Such an attitude would  
be impossible to uphold, for the world  
is not static.

"But it does imply that we are op-  
posed to changes brought about by  
force, that if such changes continue  
to be attempted, on whatever pre-  
text, then civilization will proceed,  
by ever-increasing suffering, to de-  
struction."

It was on respect for international  
law that the British Government  
based its international policy. It was  
the only basis acceptable to the Brit-  
ish Government. The British Gov-  
ernment was convinced it was the  
only basis which would achieve the  
end all most desired—the preserva-  
tion of world peace.

"We cannot accept," he continued,  
"the view that dislike, however deep-  
seated, or abhorrence, however sin-  
nerly felt, for the form of govern-  
ment or the political institutions of  
one nation justifies another in inter-  
fering by force in its internal af-  
fairs.

"To admit such principles would  
be to deny the right of each nation  
to live its own life in peace and free-  
dom, which is the prerogative of all

4 DYAS, CLAIRE ESTELLE (Mrs. W. J.) born at Cobourg, Ont., a daughter of Rev. John Calvin Pomeroy, B.A., of Newburg, Ont., and Sarah Eliza (Marsh) Pomeroy of Brighton, Ont. Lived as a girl with her parents in Fergus, Ont. She is of U.E.L. descent. Her paternal ancestors, Ralphe de Pomeroy, accompanied William, Duke of Normandy, on his invasion of England in 1066 and rendered such valuable service in the successful invasion that William the Conqueror bestowed upon him many favors, the principal being the ancient Manor and Lordships of Berry in Devonshire. Some seven hundred years later when the American Colonies rebelled, another ancestor, Daniel Pomeroy, served as an officer with the British Forces, and in 1783 came to Canada and settled at Ernesttown, Ont. Lieut. Daniel Pomeroy, U.E., was married to Patience Perry, daughter of Robert Perry, U.E. Their wedding was the first to be solemnized in the Anglican Church at Bath, Ont. On her maternal side, the Marsh family were noted for their loyalty to the Crown. Col. William Marsh, a descendant of Capt. James Marsh, who was killed in action at the battle of Edgehill, was a member of the Colonial Congress in New York and a large land holder in Vermont. When the American Revolution broke out Col. Marsh resigned his seat and served with the British Army until the end of hostilities when he came to Canada. In compensation for his war service and loss of his lands in Vermont he was awarded several thousand acres of land around the Bay of Quinte ~~and~~ (as taken from the archives of Prince Edward County, Bay of Quinte).
